Program in Entrepreneurship (PIE) Course Petition Form for Core and Elective Courses

Students may petition for courses not already identified as part of the Program in Entrepreneurship to fulfill a core or elective requirement.

*Note* if the course is not offered at the University of Michigan, or is being offered for the first time, we ask that you submit the petition AFTER the course has been completed.

All petitions require:
1. **Official Course Syllabus:** The syllabus should include:
   * A description of the course
   * Course goals

2. For University of Michigan courses, **If you have NOT taken the course:** In a separate document, briefly explain how this course will contribute to your entrepreneurial education by addressing the following questions:
   * Do you want the course to fulfill a PIE core or elective requirement?
   * What do you expect to gain from the course?
   * How is this course entrepreneurial?
   * How will you apply what you learn from the course to entrepreneurship?

3. **If you have already taken the course:** In a separate document, briefly explain how this course has contributed to your entrepreneurial education by addressing the following questions and experience statement:
   * Do you want the course to fulfill a PIE core or elective requirement?
   * What did you learn about entrepreneurship from the course?
   * How will you apply knowledge gained from the course to entrepreneurship?
   * Provide an actual experience that demonstrates how the course has supported your entrepreneurial career.

Please submit all materials to Jeni Olney, Student Affairs Program Specialist, jdietch@umich.edu. You will be contacted regarding the status of your petition as soon as possible. Each petition is handled on a case-by-case basis so a PIE core or elective requirement decision made for one student may not apply to another student.
